FUN AND FUNNY LITTLE ACTIVITIES TO ENJOY TOGETHER!

DID YOU KNOW?

Reindeer have a coat that changes color with the seasons. In the summer, their fur is more brown to blend in with the landscape, and in winter, it becomes more white to camouflage in the snow.

In the year 1950, the tallest Christmas tree was displayed in Seattle, Washington, USA. It is the tallest one ever displayed and stood at a height of 67.36m!

Christmas trees take up to 15 years to grow.

Reindeer are not endangered; in fact, they are quite numerous. It's estimated that there are around 5 million reindeer in the world.

The tallest snowman ever built, named "Olympia," stood at 37.21m.
