Fun quiz!

What is your child's personality? Take the test!

1. How does your child typically handle new experiences or changes?

a) They jump in with enthusiasm and curiosity.
b) They need some time to adjust and may seem cautious at first.
c) They adapt fairly quickly and go with the flow.
d) They resist change and prefer to stick to familiar routines.

2. When faced with a challenge, how does your child usually respond?

a) They tackle it head-on with excitement and energy.
b) They carefully analyse the situation and plan their approach.
c) They are patient and take a steady approach, often seeking help if needed.
d) They take charge and direct others to help solve the problem.

3. How does your child interact with their peers?

a) They are outgoing, friendly, and always looking to make new friends.
b) They are more reserved, preferring a few close friends.
c) They are loyal and supportive, preferring to maintain existing friendships rather than seeking new ones.
d) They often take a leadership role and guide their friends in group activities.

4. What is your child's typical reaction to criticism or feedback?

a) They brush it off easily and remain cheerful.
b) They take it seriously and reflect on it deeply.
c) They may feel hurt initially but move on quickly.
d) They might become defensive or argue back.

5. How does your child handle their emotions?

a) They express their feelings openly and seek to share their joy or sadness with others.
b) They are more introspective and may keep their emotions to themselves.
c) They are calm and collected, and may not show their emotions much.
d) They may have intense emotional reactions and may struggle with emotional control.

6. How does your child deal with conflict?

a) They try to make everyone happy, often avoiding confrontation.
b) They carefully consider all sides and seek a fair solution.
c) They use their charm and enthusiasm to diffuse tension and bring people together.
d) They assert their point of view strongly and may take control of the situation.

Results...

Mostly As: Your child may be a Sanguine/Expressive personality. They are lively, outgoing, and love being around people.
Mostly Bs: Your child may be a Melancholic/Analytical personality. They are thoughtful, detail-oriented, and prefer to analyse situations before acting.
Mostly Cs: Your child may be a Phlegmatic/Loyal personality. They are calm, patient, and value stability and harmony in their relationships.
Mostly Ds: Your child may be a Choleric/Dominant personality. They are assertive, goal-oriented, and enjoy taking charge and leading.

** This quiz is a fun way to gain insights into your child's personality, but remember that children are complex and may exhibit traits from more than one personality type.*
